

Quarry Road Trails Master Plan Public Workshop & Open House

Drop In Anytime!

Wednesday, July 12 from 4-7 PM

Quarry Road Trails Maintenance Building
200 Quarry Road, Waterville, Maine 04901

We need your input on enhancing Quarry Road Trails!

The Friends of Quarry Road are developing a new master plan that will articulate a unified, multi-season vision for the future of Quarry Road Trails. The master plan will explore opportunities to increase usage in all seasons, grow the Nordic ski operations, re-establish the Alpine skiing operation, and construct physical infrastructure that would enable the area to host large events.

Visit our website at quarryroad.org/plan for the latest project news and information, and to take the master plan survey.

Help us plan for four seasons of fun in Waterville!
